

# **Attention all parents and junior sailors at South Port Sailing Club**

**The Ontario Summer Games are here in August.**

The Ontario Summer Games this year are hosted by Windsor. This is such a tremendous opportunity for every junior sailor at South Port. Having them here gives our junior sailors a chance to participate in this most prestigious event, something they may otherwise never get a chance to do again. We want to encourage every junior sailor with a chance to go to the Ontario Summer Games. An objective of the summer games is to get as many of the local junior sailors to participate as possible.

## **Take Notice**

**Elimination series for the Ontario Summer Games July 12th.**

**the 420 class - double handed - spinnaker**

South Port Sailing School is looking to sponsor at least 2 teams for the Games. Additional sponsorship support is needed and encouraged if we want to send additional teams to this event.

On Saturday July 12th., there will be an elimination series of up to 5 races, open to any junior sailor in the age group 13 thru 17.

You will find sign-up sheets in the lobby of the Clubhouse and at the Sailing School Building. Race details will follow.

Please contact Roger Renaud (519) 736-7829 should you have any question

# **Ontario Summer Games – Windsor, Ontario**

## **Host Club: Windsor Yacht Club**

Sailing continues to be a core sport in the Ontario Summer Games. This year we are excited to announce that Windsor Yacht Club, one of our newest members clubs of Ontario Sailing and Sail Canada will be the host.

Games are great events to participate as an athlete and a coach. Athletes stay as a team and the Games experience includes high level coaching from our Provincial Coaching Team, all food, accommodations (shared room with another sailing athlete), transportation to and from the residence and the Club.

Athletes and their clubs need to supply their boats, and there is an opportunity for a limited number of coaches from Clubs to join the coaching staff and be part of a mentorship program building on their own skills as a coach.

Thomas Fogh has agreed to be the Provincial Sport Organization Representative and the on staff Head Coach. More details to follow on who the other coaching staff will be.

There will be gold, silver and bronze OSG medals awarded to each class, 420 (2 medals of each colour, 6 medals in total), Female Radial (3 medals in total) and finally Male Radial (3 Medals in total) as well as Ontario Sailing awards for Gold, Silver and Bronze in each class.

**Boat check-in:** Thursday August 7 morning, practice race after lunch, opening ceremonies

**Dates of racing:** Friday August 8 - Saturday 9 2014, awards after the last race on August 9<sup>th</sup> 2014
