Re: Replacing ECPA class rule 1.1 in the Sailing Instructions for the SPSC Open Series Regatta, thereby eliminating minimum crew requirements.

During the open discussions that took place at the 2014 ECPA annual general meeting it was decided that it would be left up to each individual club to determine whether or not they wanted to enforce minimum crew requirements. As such, in accordance with the spirit of these discussions, on behalf of the Essex County PHRF Association I see no issue with eliminating the minimum crew requirements for your Open Series Regatta.

Sincerely,
