## Newsletter of South Port Sailing Club November 2018

### Message from Outgoing Commodore Ryan Masse

The end of the sailing season has finally arrived ! What a wet and wild haul-out it was as everyone braved the rain and cold weather to get all the boats lifted. It was a pleasure to watch members work together to get the job done.

Even though the boats are out of the water, November presents us with another opportunity for fellowship. I hope to see everyone out at the Fall Furl banquet on the 3rd as we celebrate our accomplishments and another successful year.

The year has truly flown by. As this is the last time I will have the opportunity of addressing the membership in Soundings, I want to thank everyone for their hard work this season. Both the membership and executive continue to put in countless hours to support all the great activities we hold throughout the year. It's the beating heart of making the club function as well as it does.

At the 2018 AGM, your committees will present their year end reports, the new executive and committee chairs will be introduced and promissory notes will be drawn.

It has been a pleasure serving as your Commodore. I wish the incoming Commodore, Tim Aseltine and his 2019 executive all the best in the upcoming year.

**Friday December 7th**

**AGM NEWS**

There is a motion being put forward for a new membership type. The motion is for an Associate Membership category. The member would have no dock privileges and no voting rights. They would have access to the property and clubhouse, and can attend all social functions. They would be required to do club work hours, that include clubhouse duties.

This is designed for people wishing to be part of the club, but do have a sailboat.

**Year end Property Work Party 2018**

**Saturday November 3rd**

**10:00 am**

Please bring a rake if you have one to help with the clean up

Thank you

**Sailing School**

The Sailing School is looking for donations (or even good deals) on some items for next season.

- Powerboat trailers (for up to 18' boats) in good use-able condition.
- Outboard motors approx 20-40hp, preferable 4-stroke, in good condition

If you think you have heard about a good deal that we may be interested in, please let me know?

John Marentette

**Social Chair, Louise Marentette**

The sailboats are tucked away for the winter, but you don't need to be! There will be special offerings at the club throughout the winter to keep you warm.

Fall Furl is November 3rd and I hope to see many of you there.

On November 11th South Port will once again become an art studio. Jennifer Songal will return to instruct us on painting a Christmas masterpiece. Don't worry about our painting ability, it is just an easy and a fun way to spend a Sunday afternoon. Cost is \$20.00 for all supplies along with wine & snacks.

Because of the banquet, there will be no Happy Hour in November but with Christmas sneaking up on us, there is a Happy Hour scheduled December 7th to get things in full swing. Wear your Christmas sweaters and each person bring a wrapped gift to exchange (under \$10.00 or re-gift or gently used gift - have fun! )

Stay warm and I hope to see you at the club !
